The GoPod™ Kiosk

The GoPod™ solution serves as a one-stop sales and rental center, allowing flexible interface opportunities and remote reporting. For locker rental, guests simply visit the kiosk using cash or credit card, enter their desired PIN, and go directly to their locker. A dedicated keypad is installed on each locker allowing guests to bypass the kiosk for future access.

- Initiate locker rentals from any networked GoPod™ kiosk.
- Eliminate operational nightmares associated with costly wristbands or RFID keys, unreliable biometric sensors and misplaced keys.
